

Have you registered?  
Earlybird discounts still  
available until 28th May 2018

## UK KIDNEY WEEK® 2018

UK Kidney Week® 2018, is being jointly hosted by The Renal Association and British Renal Society.

For further details of the full programme, with details of over 500 abstracts that will be presented, and general information, please click [HERE](#).

The three day programme offers numerous sessions covering all aspects of renal care for the healthcare professional. The conference is a great opportunity to meet and network with colleagues who share your enthusiasm for best practice in kidney care.

Visit the conference website for registration, more information and contact information: [www.ukkw.org.uk](http://www.ukkw.org.uk).

Don't forget to register by 28th May 2018 to guarantee the discounted earlybird registration rates!

19-21 June 2018

Harrogate Convention Centre

UKKW2018® is a multi-disciplinary event co-organised by:
