ART Golf Society Day

Join us for a round of golf on the 7th October 2026 prior to your ART conference at the Picturesque Belton Woods Golf Club, Grantham, Lincolnshire NG32 2LN.

Belton Woods Golf Club is the venue for The Annual ART Golf Society Day.

Belton Woods boast two Championship golf courses:

The Lakes

The Championship Lakes Course at 6831 yards and multiple water hazards will offer a great test to all golfers. Long drives, accurate irons and solid putting will bring the very best out of this course.

The Woodside

The Championship Woodside Course now at 6623 yards is now enhanced by four years of major bunker complex redesigns and improvements. More recently many tee boxes have been rebuilt, and new competition tees added giving the Woodside course a truly unique feel and at times visually stunning challenge.

This event will take the usual format meet for a light lunch before prior to 12:00 Tee off. There will be prizes for the longest drive and nearest the pin presented in the bar after the event. No matter what standard of golf you play come along you will enjoy the day.
